

Position: Personnel Board Representative

Name: Brandon J. Combs

My name is Brandon Combs, and I am humbled at the opportunity to run for the position of Personnel Board Representative. Currently I am pursuing my doctorate in Educational Technology Leadership from Morehead State University and am expected to graduate in the Spring of 2015. I finished my M.A. in Educational Technology from Morehead in the Spring of 2014. I have an earned M.S. in Safety, Security, and Emergency Management from Eastern Kentucky University, and a B.S. in Communications from the University of Louisville. I have undertaken a life of service. For the last seven years I have worked in law enforcement. Since March of 2013, I have served as a Law Enforcement Training Instructor for the Commonwealth of Kentucky. Prior to that I served with the University of Kentucky Police Department.

Applying for this position stems to my belief in a life of service. While I have chosen a career of public service, I also serve in several other capacities with other organizations. Some of these capacities include Chairman of the Board for the Kentucky Equality Federation, and Professional Ethics Committee Representative for the Association for Education Communications and Technology's Graduate Student Assembly. While working in Lexington, I also served as a Hearing Officer for the city of Lexington's 911 Address Enforcement Administrative Review Board, as appointed by Mayor Jim Gray.

It is my sincerest hope that my skills, education, and background can be shared to those with whom I would serve in order to best serve the Commonwealth and her employees. I thank you for your consideration and would appreciate your vote for the Personnel Board Representative position. Thank you!
